| Cross Sectional Shape:                      |
|---------------------------------------------|
| Metal and nonmetallic materials             |
| Overall Length:                             |
| 14.000 inches                               |
| Overall Width:                              |
| 0.500 inches                                |
| Cross-sectional Thickness:                  |
| 0.125 inches                                |
| End Application:                            |
| Sonar de 1160lf, hull multimode             |
| Environmental Protection Material Location: |
| Throughout rf shielding gasket              |
| Material:                                   |
| Rubber silicone class q environmental seal  |
| Style Designator:                           |
| Rectangular                                 |
| Shelf Life:                                 |
| N/a                                         |
| Unit Of Measure:                            |
| -                                           |
| Demilitarization:                           |
| No                                          |
| Fiig:                                       |
|                                             |
