Overall Length:

8.000 inches

Overall Height:

3.120 inches

Overall Width:

3.750 inches

Switch Type:

Push

Lens Color:

White and green

End Application:

Power control

Voltage Rating:

440.0 volts

Mounting Method:

Base

Current Rating:

50.0 amperes

Component Type And Quantity:

2 light and 1 switch

Special Features:

Markings on assembly consists of: pos.1=power available; pos.2=power running; and pos.3=stop

Material:

Plastic

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A507c0
