Agav

**Product Name:** 

(inavy)data interconnect, aircraft

**Criticality Code Justification:** 

**Special Features:** 

Time totalizing meter, wire (24awg), cable twin conducto (24awg), gasket connector, insulated terminal lug crimp, terminal shield, crimp contact pin, sleving, coupler bus transformer, contact socket crimp, conector twinaxial, and connectors, bandmarker

Shelf Life:

N/a

**Unit Of Measure:** 

--

**Demilitarization:** 

Yes - demil/mli
