

View Online at <https://aerobasegroup.com/nsn/5999-01-519-3936>

**Overall Length:**

0.744 inches

**Special Features:**

Insulating materia (polytetrafluoroethylene) , contacts have gold over nickel, frequency range 0-1000mhz, temperature range -15 degrees celsius to +125 degress celsius

**Material:**

Copper contact

**Precious Material And Location:**

Contacts gold

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A222a0
