**Overall Height:**

0.500 inches

**Overall Width:**

1.750 inches

**Special Features:**

End item: case electronic communication equipment

**Material:**

Silicone environmental seal

**Material Specification:**

Qq-n-281 federal specification single material response emi/rfi conductor

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A032a0
