Cross Sectional Shape:

Metal and nonmetallic materials

End Application:

Ch-470 avioni

Product Name:

Gasket - vhf antenna

Special Features:

Material is elastomeric sealant with aluminum mesh in accordance with av-dec material specification ms52678

Material:

Aluminum emi/rfi conductor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A032a0
