Electronic Shielding Gasket - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5999-01-525-7253

Cross Sectional Shape:
Metal and nonmetallic materials
End Application:
Ch-470 avioni
Product Name:
Gasket - vhf antenna
Special Features:
Material is elestomeric sealant with aluminum mesh in accordance with av-dec material specification ms52678
Material:
Aluminum emi/rfi conductor
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A032a0
