End Application:

Consolidated avionics accessories

Product Name:

Hero bag

Special Features:

Weave cloth-like fibers wound. Emi protection purposes. Stitches, seams and stitching shall conform to fed-std-751. Stitches shall be type 301, 6 to 8 per inch.

Special Markings:

Warning: q1 case must be insulated to avoid shorting to fabric

Material:

Copper

Relationship To Similar Equipment:

Hero insulator: part number: 3164403-1

Style Designator:

Irregular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0
