Overall Diameter:

Between 0.065 inches and 0.075 inches

End Application:

Eurofighter 2000

Material:

Aluminum and silicone

Precious Material And Location:

External surface silver

Surface Treatment:

Silver

Shape:

Circular

Specification Data:

81349-mil-dtl-83528 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506y0
