Overall Length:

4.800 inches

Overall Width:

3.500 inches

Unthreaded Mounting Hole Diameter:

0.221 inches single mounting facility

End Application:

Lantirn eots

Mounting Facility Type And Quantity:

4 unthreaded hole single mounting facility

Product Name:

Thermal pad, cca support

Special Features:

Material is berquist company q-pad 3, fiberglass impregnated with thermally and electrically conductive elastomer

Material:

Glass fiber

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
