Overall Length:

11.750 inches

Overall Height:

1.500 inches

Overall Width:

7.270 inches

Overall Thickness:

0.090 inches

End Application:

Aircraft, prowler ea-6b

Product Name:

Cover, connector protector

Special Features:

The housing is rectangular in shape, blue in color, and has a polyurethane coating.

Material:

Aluminum

Material:

Aluminum

Surface Treatment:

Paint

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T386-a
