Overall Length:

0.280 inches

Overall Height:

0.410 inches

Overall Width:

0.280 inches

End Application:

Recording subsystem sdv mk8 mod1 (new build)

Mounting Method:

Tab

Special Features:

Manufacture name: fuse clips for circuit boards; for 1/4 inch diameter fuses; without end stops and straight leads

Material:

Copper alloy body and contact

Surface Treatment:

Tin body and contact

Style Designator:

Ferrule clip

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
