Heat Sink-insulator - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5999-01-533-6547

Overall Length:

0.850 inches

Overall Width:

0.640 inches

End Application:

C-17a aircraft

Product Name:

Insulator, thermally conductive

Special Features:

Matt electrically isolated silicon elastomer, with glass fiber fillers

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A03600
