Body Style:

Extruded

Overall Length:

13.730 inches

Overall Height:

0.250 inches

Overall Width:

1.500 inches

Unthreaded Mounting Hole Diameter:

0.060 inches all mounting facilities

Mounting Facility Type And Quantity:

14 unthreaded hole all mounting facilities

Material:

Copper

Material Specification:

Astmb133 assn standard single material response

Surface Treatment:

Nickel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
