Overall Length:

1.475 inches

End Application:

B-2 bomber

Special Features:

Other material parts bras, gold plated thicknes min .000050-.000150 impedance 100 ohms (measued differentially) 50 ohms (measure sig.

To shield) orig. Name assigned number 8 socket, twinax

Material:

Copper contact

Style Designator:

Socket contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
