Overall Length:

6.000 inches

Overall Width:

3.000 inches

Thickness:

10.0 millimeters

End Application:

Apx power supply

Special Features:

High performance, high reliability insulator, high thermal conductivity. Color: white.

Material:

Silicone

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506y0
