End Application:

Tip, lc bulkhead, long-reach, for fbp

Special Features:

The fbpt-lc-l is a bulkhead tip for use with our industry leading "fbp" series probes. It will interface with an lc bulkhead adapter to show the connector inside the alignment sleeve. This long reach tip has an integrated tip and barrel assembly providing a more narrow design that can access duplex connectors without removing the adjacent connector.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
