Flange Thickness:

0.832 inches

Mounting Flange Length:

1.258 inches

Product Name:

Mounting flange emi gaskets

Special Features:

Provides emi shielding; silver plated aluminum in fluorosilicone filler and binder

Precious Material And Location:

Filler and binder silver

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A032a0
