End Application:

KEYB-OA-RDN-SN70

Environmental Protection Material Location:

Throughout sealing gasket

Product Name:

Connector gasket

Special Features:

Woven aluminum cloth and silicone

Material:

Rubber silicone class q environmental seal

Reference Data And Literature:

Engineering parts list sheet 6 drawing 4500228 rev a

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
