Body Style:

Extruded

Overall Length:

95.0 millimeters

Overall Height:

74.0 millimeters

Overall Width:

28.0 millimeters

End Application:

60048168-00 (06401) , transit case local equipment

Mounting Facility Type And Quantity:

4 flange all mounting facilities

Product Name:

Heatsink 90 degree

Material:

Copper

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
