Overall Lawethy
Overall Length:
0.660 inches
Overall Diameter:
0.058 inches
Mounting Method:
Force fit
Special Features:
Terminal for use with (1.57)/.062 dia. Series housings and will accept 18 through 24 awg wire with (1.52/3.05)/.060/.120 insuation dia.;
product specification: ps-02-06
Material:
Copper alloy body and contact
Surface Treatment:
Tin body and contact
Style Designator:
Crimp type contact
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A222a0
