Overall Width:

0.250 inches

Thickness:

0.032 inches

End Application:

426-7621838- (8w138) etherent switch

Special Features:

No length is specified

Material:

Silicone and copper alloy

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506y0
