Overall Length:

18.000 inches

End Application:

TOWT-RA-CTO-R,AI

Product Name:

Wire, turn signal switch, grounding wire

Special Features:

Grounding wire consists of two terminations to attach from switch to ground

Material:

Copper

Material:

Copper

Shape:

Round

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T174-k
