**Overall Length:**

18.000 inches

**End Application:**

TOWT-RA-CTO-R,Al

**Product Name:**

Wire, turn signal switch, grounding wire

**Special Features:**

Grounding wire consists of two terminations to attach from switch to ground

**Material:**

Copper

**Material:**

Copper

**Shape:**

Round

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T174-k
