Overall Length:

1.500 inches

Overall Height:

1.500 inches

Overall Width:

1.500 inches

Unthreaded Mounting Hole Diameter:

0.313 inches

End Application:

Mrap - unique nsn - mrap no permanent wsdc identified

Mounting Facility Quantity:

1

Mounting Method:

Retaining hole

Product Name:

Clip, pan/tilt mount

Special Features:

Finish: apply zinc phosphate per tt-c-490, type 1 primer; apply one coat epoxy primer; apply two coats polyurethane topcoat

Specification Data:

Mil-p-53022 government standard and fed-std-595 government standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0

Mil-std (military Standard):

Mil-p-53022 spec.
