End Application:

Eh101 helicopter

Product Name:

Contact type 20

Special Features:

Socket, top assembly contact, military color coding; engaging end size awg 16; termination end size awg 11; bin color coding bands are red-white-black

Precious Material And Location:

Contact finish gold

Precious Material:

Gold

Surface Treatment:

Gold contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
