Unthreaded Mounting Hole Diameter:

0.161 inches all mounting facilities and 0.165 inches all mounting facilities

End Application:

Aim 9 l/m missile

Mounting Facility Type And Quantity:

2 unthreaded hole all mounting facilities

Product Name:

Diamond shaped heat sink

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
