**Body Style:**

Rectangle, sharp corners

**End Application:**

A/a49e-20 arm subsys

**Mounting Facility Type And Quantity:**

12 threaded hole all mounting facilities

**Product Name:**

Filter, emi, al mesh

**Special Features:**

Shielded aluminum straight honeycomb vent with a style 1 frame and twinseal with t.C.S. Mesh gasket

**Material:**

Aluminum alloy

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03600
