Overall Length:

3.140 inches

Overall Height:

0.330 inches

Overall Width:

3.140 inches

End Application:

6822-1 (51190), interface unit

Features Provided:

Framed

Product Name:

8200 series-shielded fan vent

General Description:

Beryllium copper gasket, material becu c17200 hardened; honeycomb iridite finish; mounting: 0.156 dia. (4 pl)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
