**End Application:**

1680-01-481-7838

**Width:**

5.000 inches

**Length:**

36.0 yards

**Min. Tensile Strength (psi):**

120 pounds per square inch

**Nominal thickness:**

3.1 mils

**Special Features:**

Cho-foil emi shielding tape w/conductive adhesive provide low impedance and electrical continuity in seams of emi shielded enclosures

**Material:**

Copper basic

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A14300
