Body Style:

Round

Overall Diameter:

4.750 inches

Unthreaded Mounting Hole Diameter:

0.196 inches all mounting facilities

End Application:

C130/c17 lair

Mounting Facility Type And Quantity:

4 unthreaded hole all mounting facilities

Product Name:

Cover, electrical

Material:

Aluminum alloy 6061

Surface Treatment:

Paint

Specification Data:

03640-03640-244a821 manufacturers source control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
