Overall Length:

14.000 inches

Overall Height:

14.000 inches

Overall Width:

0.500 inches

Product Name:

Electrovent shielding panel

General Description:

Honeycomb and frame are aluminum alloy, plating chromate coating, emi gasket- tin coated copper clad steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
