Ventilating Radio Frequency/electromagnetic Interference Shielded Panel - Page 1 of 1

Overall Length:
14.000 inches
Overall Height:
7.000 inches
Overall Width:
0.500 inches
Product Name:
Electrovent shielding panel.
General Description:
Honeycomb and fram are aluminum alloy, plating coating chromate. Emi gasket- tin coated copper clad steel.
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
Yes - demil/mli
