Overall Length:

4.740 inches

Overall Height:

3.150 inches

Overall Width:

3.490 inches

End Application:

F-15sg strike eagle

Product Name:

Duct assembly-ew signal processor

Special Features:

Duct diameter is 1.000 inches ; 1.021 inch diameter hole centered on flange for duct attachment; 4 each 0.202 inch diameter mounting holes (1 each near each rounded corner of flange)

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
