End Application:

61200-200 master station assembly and 61200-300 user station assembly

Environmental Protection Material Location:

Throughout sealing gasket

Product Name:

Emi gasket

Special Features:

Monel wires in silicone

Material:

Rubber silicone class q environmental seal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A032a0
