Overall Length:

11.370 inches

Overall Width:

7.650 inches

End Application:

Ah-64a

Product Name:

Gasket-laser sensor unit

Special Features:

Material: elastomeric sealant with aluminum mesh iaw av-dec material specification ms52678

Style Designator:

U-shape

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
