Body Material:

Aluminum alloy, qq-a-591

Width:

0.510 inches

Length:

2.900 inches

End Application:

4920-01-556-1991

Mounting Method:

Screw

Chain:

Included

Insert:

Not included

Product Name:

D-subminiature protective cover 500-008

Special Features:

Cover includes two knurled slotted head no 4-40 unc-2a fasteners; 4 inch wire rope w/polyurethane jacket and 0.125 inch ring terminal

Height:

0.344 inches

Surface Treatment:

Cadmium and nickel and paint

Surface Treatment:

Cadmium plated and nickel, electroless and paint, olive drab

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T174-g
