**Width:**

12.6 millimeters

**Length:**

312.19 millimeters

**End Application:**

Ch-46e/hh-46e

**Product Name:**

Screen cap

**Special Features:**

Item has metelshell, threaded insert, collar, jackscrew, wire rope, retaining washer, terminal ring, no of pos: 9 for plug connector

**Height:**

16.4 millimeters

**Material:**

Copper alloy and steel and steel, corrosion resisting

**Material:**

Copper alloy and steel and stainless steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T174-g
