Width:

12.6 millimeters

Length:

312.19 millimeters

End Application:

Ch-46e/hh-46e

Product Name:

Screen cap

Special Features:

Item has metelshell, threaded insert, collar, jackscrew, wire rope, retaining washer, terminal ring, no of pos: 9 for plug connector

Height:

16.4 millimeters

Material:

Copper alloy and steel and steel, corrosion resisting

Material:

Copper alloy and steel and stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T174-g
