Overall Width:

1.843 inches

Overall Diameter:

2.625 inches

Product Name:

Block, switch mounting

Special Features:

Center hole of block, switch mounting has one hole located within 0.005 inches of it; material is cres aisi 303, cond a; identification mark-mil-std-130complete details refer to drawing

Specification Data:

10001-mil-std-12/canceled/ government standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T142-d
