**Overall Width:**

1.843 inches

**Overall Diameter:**

2.625 inches

**Product Name:**

Block, switch mounting

**Special Features:**

Center hole of block, switch mounting has one hole located within 0.005 inches of it; material is cres aisi 303, cond a; identification mark-mil-std-130complete details refer to drawing

**Specification Data:**

10001-mil-std-12/canceled/ government standard

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T142-d
