End Application:

3895-01-577-2425

Product Name:

Stamped and formed - crimp type socket

Special Features:

Wire gauge range 12 14 and 16 awg, recommended strip lgt is 0.125 to 0.175 inch, recommended hand crimp tool to use is dtt-16-00 model

Style Designator:

Socket contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
