Overall Length:

15.000 inches

Unthreaded Mounting Hole Diameter:

Between 0.129 inches and 0.218 inches

Mounting Facility Quantity:

2

Mounting Method:

Unthreaded hole

Material:

Aluminum body

Material Specification:

Qq-a-250/5 federal specification single material response body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
