A-line contactor
Special Features:
3 pole contactor; surge supprossors built in as standard on the printed circuit board; clear marking of coil voltages and frequencies; all af
contactors can be assemblyed side by side. The add-on auxiliary contacts are suitable for low level currents; quick mounting on din rail en
50022 and en 50023 stadards.
Supplementary Features:
Ac&dc operated with laminated magnetic circuit; ul rated, 3 phase
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T142-d
