End Application:

2215000-203

Voltage Rating In Volts:

250.0 dc

Current Rating In Amps:

3.0

Mounting Method:

Force fit

Special Features:

Accepts 20-22awg wire.

Material:

Copper alloy body and contact

Surface Treatment:

Tin body and contact

Style Designator:

Socket contact

Terminal Type And Quantity:

1 crimp end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
