Overall Length:

2.0 inches

Overall Height:

0.609 inches

Overall Width:

0.406 inches

Jaw Opening:

0.50 inches

Mounting Method:

Threaded stud

Product Name:

Analyzer clip copper

Special Features:

20 amp current rating. 15.7 pounds pressure required for full jar opening.

Material:

Copper body

Style Designator:

Needle clip

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
