Overall Length:

0.312 inches

Overall Width:

0.312 inches

Thickness:

0.062 inches

Material:

Silicone and silver and copper

Precious Material And Location:

Conductive filler silver

Shape:

D-shape

Specification Data:

81349-mil-dtl-83528 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506y0
