AeroBase Group

Overall Height:

0.094 inches

Overall Diameter:

0.171 inches

Features Provided:

Liner

Product Name:

Shield emi

Special Features:

Liner material: solid fluorosilicone cord, shield is sold by the foot and typically packaged on spools.

Material:

Beryllium and copper

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0
