Overall Length:

0.759 inches

Overall Diameter:

Between 0.125 inches and 0.135 inches

End Application:

4320-01-617-7587

Mounting Method:

Force fit

Special Features:

Includes inspection hole. Is size 16.

Material:

Copper alloy body and contact

Surface Treatment:

Nickel body and contact

Style Designator:

Socket contact

Terminal Type And Quantity:

1 crimp end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
