Electronic Shielding Gasket - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5999-01-642-4886

Cross Sectional Shape:
Metal and synthetic rubber
End Application:
Operator control station
Environmental Protection Material Location:
Throughout rf shielding gasket
Product Name:
Emi gasket (instrument panel)
Material:
Rubber silicone class q environmental seal
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:

A032a0
